The battle of the little bighorn, known to the lakota and other plains indians as the battle of the greasy grass and also commonly referred to as custer's last stand, was an armed engagement between combined forces of the lakota, northern cheyenne, and arapaho tribes and the 7th cavalry regiment of the united states army. The battle, which resulted in the defeat of us forces, was the most The texas–indian wars were a series of 19th-century conflicts between settlers in texas and the southern plains indians. These conflicts began when the first wave of european-american settlers moved into spanish texas. They continued through texas's time as part of mexico, when more europeans and anglo-americans arrived, to the subsequent declaration of independence by the republic of texas. The cabasset, the standard infantry helmet throughout much of europe during the late 16th century, and still in use during the english civil wars.
