350,000 and 500,000 jews served in various roles in the red army during the soviet-german war of  
1941-1945. About 1.5 million jews fought in allied armies, including 500,000 in the red army, 550,000 in the  
american army, 100,000 in the polish army and 30,000 in the british army, according to israel's Antisemitism  
in the soviet union reached new heights after 1948 during the campaign against the "rootless cosmopolitan",  
information campaigns against antisemitism were conducted in the red army and in the workplaces, a major  
stride was made in helping the soviet jews on october 18, 1974 when senator henry jackson, henry kissinger,

96.5% of the enlarged russian jewish population in israel is either jewish or non-religious, while 3.5%  
(35,000) belong to other religions (mostly christianity) and about 10,000 identifying as messianic jews  
separate from jewish christians. The history of the jews in the soviet union is inextricably linked to much  
earlier expansionist policies of the russian empire conquering and ruling the eastern half of the european  
continent already before the bolshevik revolution of 1917. "for two centuries – wrote zvi gitelman – millions  
of jews had lived under one entity, the russian empire and the ussr. they had now come under the jurisdiction  
of fifteen states, some of which had never existed and others that had passed out of Jews in general anders'  
army in the soviet union by yisrael gutman 1. the organizational phase mustering of the polish armed forces in  
the soviet union (polskie sity zborjne w zssr), known as "anders' army", began during the latter half of 1941.
