## Chapter 1 : Ndebele Art African Tribe Margaret Courtney Clarke

Introduction although the origins of the south african ndebele are shrouded in mystery, they have been identified as one of the nguni tribes. the nguni tribes represent nearly two thirds of south africa's black population and can be divided into four distinct groups; the central nguni (the zulu-speaking peoples), the southern nguni (the xhosa-speaking peoples), the swazi people from swaziland In the 18th century the ndzundza ndebele people of south africa created their own tradition and style of house painting. until the late .1900s, the ndebele people were very fierce warriors and large landowners. in the autumn of 1883, they went to war with the neighboring boer workers. the loss of the war brought on a harsh life and horrible punishments for the ndebele. The southern african ndebele are a nguni ethnic group native to south africa who speak southern ndebele though sharing the same name, they should not be confused with (mzilikazi's) northern ndebele people of modern zimbabwe, an offshoot of shaka's zulu people with whom they came into contact only after mfecane northern ndebele people speak the ndebele language. Despite being an internationally recognized artist, gogo still lives in mabhoko village in kwamlanga, mpumalanga and does her chores like any ordinary gogo in the village – sweeping her yard early in the morning, cooking and teaching young people ndebele art. Amudou-mahtar m'bow, the director of the united nations education and scientific council (unesco) from 1947-1987 wrote that all kinds of myths and prejudices concealed the real, key contours of african life and institutions. African is a term which includes all the indigenous peoples of the african continent and their descendants in the diaspora. African art, the visual arts of native africa, particularly sub-saharan africa, including such media as sculpture, painting, pottery, rock art, textiles, masks, personal decoration, and jewelry.. for more general explorations of media, see individual media articles (e.g., painting, sculpture, pottery, and textile) or a discussion of the characteristics, functions, and forms of masks, see mask.
